

CALL TO SPRING PLANNING MEETING

GUESS WHAT???

Yes, It's that time of year again - to take a serious look at our plans for Annual Conference. The time is upon us. The months have flown by. Now we are at the 10th hour!! But wait a minute! We still have time to make this year our best year ever! We have the best of the best to work with, so we can do it!!

I have a grand idea. Lets show up on dress rehearsal day (Saturday, March 15th) to show Madame President and her Board we are not only ready, but willing to make them very proud. Lets plan to meet at the Valley Brew Restaurant, located at 157 West Adams Street in Stockton. (See the registration form for the directions).

Come help us plan for a grand time at our Annual Sierra Pacific Region Conference, to be held at the Stockton Hilton on Friday and Saturday, June 6th and 7th, 2008. This promises to be a grand time indeed, full of training, good food, good company, fun, entertainment and much laughter as we enjoy the weekend with our dear ITC friends and family. This is just a preview. Watch the media!! There is more to come!!!!
