2008 POWER TALK INTERNATIONAL TRAINING WEEKEND

The website for the *POWERtalk* International Training Weekend 2008 in San Francisco is up and running. Not all the documents are on the website; however the registration and program brochure will be on soon.

Sierra Pacific Region (SPR) was asked to host this event by ITC President Mary Marshall and we want to do an outstanding job as only SPR can do.

Go to: www.powertalkinternational-trainingweekend2008.com; add this address to your favorites and go back to view periodically. Also be sure to mark your calendar for October 10-12, 2008 and contact me [see **membership roster for contact info**] to help out in San Francisco. The Westin is a beautiful hotel and you will have an opportunity to meet *POWERtalk* International members from all over the world.
