

## **PRESIDENT ELECT MESSAGE/PROGRAM EDUCATION**

### **CALLING ALL SIERRA PACIFIC REGION MEMBERS! To Spring Planning Meeting**

Bring your ideas, your issues and if you need help, let the synergy of the group work with you to stimulate your ideas and plans.

Let's all prepare our status reports and take the opportunity to renew our friendships with one another. We want to make sure that the June 2008 SPR Annual Conference is exceptional.

We have the honor of having the International President, Mary Marshall attending and we really want to show off our best stuff.

Be sure to put this date and location on your calendar, March 15, 2008 at the Valley Brew Restaurant in Stockton. Please consider carpooling, it makes it so much more fun.

**If you want to present a workshop at the Annual Conference please contact me. If you want accreditation for the workshop, please contact SPR Accreditation Chairman Faye Corrin.**

Contact Wanda Scott [*See membership roster for contact info*] for more information.
