Oct 10, 2009 - Holiday Inn
300 J Street, Sacramento,
Tentative 9 am to 3 pm

Bylaw Change:

Article VII. Nominations an Election, Section B. Requirements. #2. reads:

2. Have served as Club President.

With this Bylaw change the nominations committee of 2009-2010 will have a much larger pool of people to recruit from. Most of us were not born leaders—we work towards that goal, taking baby steps along the way. Each step is a challenge and all organizations need people who are prepared to take the opportunity of growth presented by leadership challenges.

Remember that you have a minimum of four years training on the Board to prepare for President of Sierra Pacific Region. You have many members to help, advise and guide you along the way—you will never take on a task alone. It is a rewarding position and I guarantee you; you learn so much in those years. Please think about your future goals in ITC and consider taking on the ITC challenge in the coming years.

So Who's Moving On?

Aubrey (Gail) Anderson who has been a great member of the 2007-08 and 2008-09 Board and Maria Trujillo Tough now leave the Board. But you know that ITC members only move on to the next task; and Gail and Maria will be around doing their thing at clubs and councils. Stay in touch.

Adieu

Ciao, baby

Adios
