

**SPECIAL NOTE:**

The SPR Board has decided to make the purchase the POWERtalk International Logo at Wilson's Trophy in Sacramento. The ITC Logo has been available at Wilson's Trophy for a number of years, but now we will have the new POWERtalk International Logo.

The Logo can be used on Speech Contest Trophies and other promotional items. Council 4 is also invited to use the logo for any items.

It has been an exciting year for me to respond to telephone calls and to travel to Council meetings.

To meet new and "old" friends. I treasurer all of you in I.T.C. I have experienced problems with our Councils that I have evaluated and made suggestions (my opinions). You have taken many of these ideas and run with them. We need to work hard to keep our clubs, councils and region together.

Each of us must go out and get new members to make this organization grow and be as strong as in the past.

Support our organization and keep growing. Love each and every one of you and let's grow.

**DONATIONS, DONATIONS, DONATIONS**

Hello, everyone welcome to springtime. I am enjoying my duties as the chair of the Region Donations Committee. We raised \$138.00 at our Spring Training Meeting. I will be looking forward to your support to reach our goal, which according to the budget plan for the Annual Conference is \$1,000.

We will be having a fundraiser at Chick-Fil-A on Alta Arden in Sacramento. Details coming soon. Our donations are used for a variety of efforts; namely, remembering our deceased members, helping to fund our POWERtalk training, helping to fund the Annual Conference and other efforts as determined by your SPR Officers who are open to your suggestions. Have a happy Easter.
