

Terrified of public speaking?

...let us help!

**Join us at our 6-session POWERtalk Short Course
and gain a head start for a more confident future**

The POWERtalk 6-session course is intended for those wishing to enhance their speaking, listening and presentation skills to become more effective facilitators

How to deliver your message is as important as the content of your presentation

Learn how to increase your confidence in making presentations. There isn't any other skill that you can acquire that will mean more to your personal success than public speaking

The interactive course covers

Speech Construction

Vocal Effectiveness

Platform Presence

Body Language and Gestures

Technical and Visual Aids

Putting it all Together
